

To Whom It May Concern:

It is my great pleasure that I write a letter of recommendation for Leroy Wilson.

Leroy exemplifies all qualities and intangibles that any future coach, agent, employer or team looks for in an individual.

I have had the pleasure of knowing Leroy Wilson for three years and counting. Leroy has always demonstrated respect, efficiency, passion, confidence, determination and always displaying a strong moral character. I have yet to ever see Leroy back down from anything life throws his way. Seems as if every time a challenge has been presented, the man comes back five times better and more determined.

Not only being a skilled player himself, Leroy is an enthusiastic leader who always maintained high energy and professionalism on and off the field. Leroy is a very patient man with an ability to run the show. He has an energy about himself that draws all eyes and trust to him, especially on the field.

Leroy will be an asset to any organization. I can confidently recommend him for any position or undertaking that he chooses to pursue.

Please do not hesitate to call me if you would like to discuss this recommendation further.
