To Whom It May Concern;

This letter is to serve as personal recommendation for Leroy Wilson and his abilities and character as person and player. During the past 3 years I have observed Leroy to be a devoted academic student while managing a stringent lifestyle as a college football student-athlete. He has conducted himself with great moral conduct and has been well liked by his peers, professors, faculty and staff. His positive energy and professional approach towards everyday events has been remarkable and contagious. He is very genuine and dedicated as a person and would be a great asset to those around him. He has always exhibited a team first mindset which is of the highest value in any organization seeking to thrive. I have no doubts that if Leroy well excel any role that your organization would require of him. If you have any questions please feel free to contact me at any time at 850-696-9848.

Sincerely,

Jammie Deese
