To whom it may concern,

I am writing you today in reference to Mr. Leroy Wilson. Leroy has been an exceptional asset to my flagship rental location in Pensacola FL since he began in January of this year. In his brief tenure with Enterprise, Leroy has shown what it truly means to be an all around high-performing employee. His drive to go above and beyond and his willingness to assist beyond the scope of his role are both wonderful traits that he possesses.

Leroy has been integral in helping in the locations recent performance of not only improving productivity but also improving customer service through both an increased volume of clean car output but also through attention to detail in the cleanliness of the vehicles which makes our customers appreciate their experience even more. Even though his role is in a high paced, ever changing environment he maintains a high level of professionalism and always has a smile on his face. I consider him an asset to our team.

If you have any questions, please do not hesitate to reach out.
